

5 Steps to Becoming an FBEAP Ministry

1. Create your “Why” When we want what He wants, for the reason He wants them, we can’t fail!

A. Vision: Future Based.

Write the Vision, make it plain

Without Vision my people perish

A Vision is a straight line map between where you are and where you want to go. It encapsulates the core ideals that give their business its shape and direction and provides the roadmap to it wants to go. It’s your ministries/businesses North Star.

Your Vision statement provides a concrete way for stakeholders, especially volunteers, to understand meaning and purpose of your ministry/business.

Volunteers and employees who find their organizations vision meaningful have engagement levels of 76.8 percent, which is 19 points above average. More engaged volunteers are more productive, and more faithful to the vision.

Given the impact that a vision statement can have on a company/ ministries long term success and even its bottom line, it’s worth taking the time to craft a statement that synthesizes your end goal and activates your staff.

Example: **Unbridle Faith: Setting Captives Free.**

B. Mission Statement: Present Based. It’s all about what you’re doing right now and focuses on the purpose of your ministry/ business, and why it exists. It explains what the organization does, who it serves, and what differentiates it from competitors. It’s used to provide focus, direction, and inspiration to volunteers and employees

while it tells customers or clients what to expect from your organizations.

A mission statement is often part of a business plan.

The best mission statements are clear, concise, and memorable.

Example: **Partnering with horses and the Holy Spirit to ‘Set the captives free.’**

2. Become a Certified FBEAP Facilitator

Sign up for one of our **FBEAP Certifications**. On our website you go to **Services** and click the drop down. Click on **Certification Seminars**. Register online for the Certification you want to attend.

Attending the three day Certification Seminar will equip you to lead Faith Based Equine Assisted Learning exercises at your facility. You will leave with the knowledge you need to begin the work of the ministry/business that God has called you to.

Becoming a Certified FBEAP Facilitator will connect you with the original, authentic, Word of God, based Certification Herd (organization). This will ensure that your clients will know, feel safe, and can be confident, that you are a Christian, and that your work is based on the Truth of the Word of God. His Truth is the only thing that can actually set the captives free. Anything less is only a partial solution. FBEAP sets the captives free, body, soul, and spirit.

3. Connect to your new Herd.

Enjoy the strength, synergy, safety, and forward movement of your new Herd! You will not be a lone ranger! Together we can become heroes to those in need of our help. We can share ideas, strategies, and tools. You will have hundreds of people you can reach out to for help and encouragement.

Together we are lacking nothing! As we work together, “...so that you may be perfect and complete, and lacking nothing.” James 1:4

We increase our **‘HORSEPOWER’** when we are in **UNITY!**

Horses survive and thrive because of the Herd/Unity, so do we!

Horses know if they are separate from the **Herd** they are vulnerable to attack. The safety of individual horses is within the **Herd**.

Let us cover you, support you, and pray for you.

4. Discipleship Training

Following each Certification Seminar, we offer a **Discipleship Training Day**. The purpose of the Training is to answer your questions on how to activate and empower you business/ministry. We also will answer any questions you may have about your specific work. If we can't help you we have connections in the Herd that can!

There is power, safety, and synergy in the Herd. There is no need to try to develop your Vision on your own. We have been doing this for almost 20 years, we want to help you make a strait line from where you are to where God has asked you to go!

Join-up and enjoy the fun, fellowship, and horsepower of the Herd!
